

## Quality Policy

It is the mission of the Pinto Basto Group companies to provide a quality service, responding to the needs of the markets and placing their capabilities at the service of the needs and expectations of their customers, with a view to their total satisfaction. We seek to operate according to strict criteria of rigor, professionalism and following the values that guide us and that reflect our identity.

In the areas of Freight Forwarding, Shipping Agents & Shipbroker, Liner Services, Project Cargo and P&I, the companies are certified by **Lloyd´s Register**, in accordance with the EN ISO 9001 standard.

Taking this reference into account, the activity is developed in accordance with the legal requirements established for its activity, being complemented by the following principles of its Quality Policy:

- The quality management commitment assumed by the company must be systematically and progressively reviewed and shared by the entire management team.
- The permanent focus on the company´s mission is supported by relevant objectives, goals, and processes, clearly oriented towards the needs of customers and shareholders.
- The periodic assessment of customer satisfaction and needs, and the appropriate treatment of identified areas for improvement is an objective shared by everyone.
- Focusing on knowledge and developing the full potentials of all employees, at individual and team level, is an essential condition for guaranteeing customer satisfaction and the effectiveness of processes.
- The objective of organizing, simplifying, and optimizing processes and resources is to support continuous improvement in the performance of the Quality management system.
